**Subject:** WSA 2002 Calendar

Dear all:

I just wanted to share with you the current 2002 WSA '12 Months at A Glance' calendar. Key dates related to planning, human resources, and other processes have been mapped out for the year. The calendar will be updated as needed.

Copies of the calendar have been circulated to your administrative support for updating in the WSA binder.

Please let me know if you have any questions.

Thanks,  
Valerie
